9. What is one issue the City should focus on that wasn't listed? (Optional)

Vetting opportunities to restructure, streamline, eliminate, and consolidate LA City resources, staff, departments, programs, and positions, with a focus on areas with low impact.

Enhancing building requirements to mitigate the possibility of fires, including fine mesh screens to keep embers out of attics.

Graffiti and gangs are horrible. Arrest more people for everyday crimes. We are too lenient.

Improve the speed of basic city services, including pothole repairs, sanitation requests, tree trimming, and sidewalk maintenance.

Provide clearer neighborhood-level budget information so residents can see where money is going.
