Brian Richard – Devotions

Wilbur Snyder – Food

12 people in attendance

Topic – **Every day is a good day because it is a gift from God.**

Brian put together a picture presentation of scenes in nature as well as scenes from everyday life. All the scenes were beautiful and depicted the wonder of Gods creations and people experiencing Gods gifts. There were some pictures that showed human tragedy., But in each of these pictures, if you closely, you could find evidence of Gods Grace and Love. It was a wonderful presentation.

Meeting ended early at 8:30. MPB member helped to unload “Rise Against Hunger” truck.

Blessings,
