Dear Pastor / Friends,

Family Foundations is excited to announce that we have scheduled a School of Ministry Coordinator Training in Calgary, Alberta. It will be held on July 17 - July 25, 2025 at Entheos Retreat Centre, Calgary, Alberta

What is Family Foundations International (FFI) all about?
FFI is an organization involved in many countries worldwide that are supporting thousands of churches, organizations and ministries with tools and trained people to help them fulfill their God given calling for that specific organization or church. (Please visit our website at www.familyfoundation.ca or ask us to forward you a Pastor's information pack.)

Vision

We want to see the hearts of the fathers restored to their sons and daughters and the hearts of the children to their fathers – and ultimately restored with Father God. We want to impact communities in order to create a culture of blessing, where fathers know how to walk with and mentor their children in order to impart purpose and destiny into their lives.

Strategy

A fully trained team from Family Foundations will be presenting at the Training Block for leaders in Calgary, Alberta

'Training Block'

The training is offered in a 9 day intensive. It will equip you to go be able to minister to the hearts of others.

Who should be trained?

Normally the Pastor/Ministry Leader of a church/organization, as well as 2 - 4 of his leadership will go through the training in order to have an immediate team going back home.

Any People with ministry experience who are recommended by their Pastor's or Former FFI Coordinators who want to be retrained and re- engage in the ministry are invited to apply.

What would you qualify for?

On successful completion of the SOM-CT Training Block, you should be qualified to facilitate any of the different FFI seminar, small group ministry times. Given that you have the required leadership abilities, you should also be able to act as Coordinator on behalf of your church. This will entitle you to organize seminars, be responsible for the training, mentorship and ministry of your team of facilitators.

Which Seminars/Courses are available?

1. Ancient Paths I
2. Ancient Paths II
3. Empowering Relationships
4. Blessing Generations
5. The Question for Men
6. The Question for Women
7. Overcoming Anger
8. Financial Foundations
9. Covenant Unconditional Love Course
10. Healing for the Hurting Heart Course

What will it do for you?

The first portion of the training block would be ministry that would impact your own personal life. It would then further equip you with insight, understanding and the ability to increase your effectiveness in one on one ministry, as well as, the ability to facilitate in a small group of 6-8 participants. The seminars should drastically reduce your counseling load as a leader and help your people move towards active involvement, fulfilling their purpose and calling in your community.
