Dear Pastor / Friends

Family Foundations is excited to announce our School of Ministry Coordinator Training in **Ottawa**. To be held at **The National House of Prayer from June 11<sup>th</sup> to June 23<sup>rd</sup>**.

**What is Family Foundations International (FFI) all about?**

FFI is an organization involved in many countries worldwide that are supporting thousands of churches, organizations and ministries with tools and trained people to help them fulfill their God given calling for that specific organization or church. *(Please visit our website at [www.craighillcanada.org](http://www.craighillcanada.org) or ask us to forward you a Pastor's information pack.)*

**Vision**

We want to see the hearts of the fathers restored to their sons and daughters and the hearts of the children to their fathers - ultimately restored with Father God. We want to impact communities in order to create communities of blessing, where fathers know how to walk with and mentor their children in order to impart purpose and destiny into their lives.

God has called us to raise up a **Culture of Blessing** in a **Million Families in America** and in a **1000 cities** around the world in the next 7 years. To do that we need to raise up 500 new Coordinators in North America and 1000's of additional Facilitators worldwide.

**Strategy**

A fully trained team from Family Foundations will be presenting a Two Week Training Block for Ministry leaders in Ottawa, Canada.

### **Why ‘Two Week Training’?**

We have seen wonderful results the past four years, as we have offered this intensive two week training block. It equips you to go back home and start reproducing seminars and leaders.

### **Who should be trained?**

Normally the Pastor/Ministry Leader of a church/organization, as well as 2 - 4 of his leadership will go through the training in order to have an immediate team going back home. Any Pastors, YWAM Leaders, Leaders with ministry experience who are recommended by their pastor or former FFI Coordinators who want to be retrained and re-engage in the ministry are invited to apply. *Please ensure that the trainees are fluent in English.*

### **What would you qualify for?**

On successful completion of the Two Week Training Block, you should be qualified to facilitate any of the different FFI seminars small group ministry times (6-8 people per group). Given that you have the required leadership abilities, you should also be able to act as Coordinator on behalf of YWAM or your church organization which will entitle you to organize seminars, be responsible for the training, mentorship and ministry of your team of facilitators.

### **Which products are available?**

Qualifying as Coordinator could entitle you to run the following seminars and courses:

- |                             |   |
|-----------------------------|---|
| 1. Ancient Paths I          | 7. Overcoming Anger                         |
| 2. Ancient Paths II         | 8. Financial Foundations                    |
| 3. Empowering Relationships | 9. Communication in Marriage Course         |
| 4. Blessing Generations     | 10. God's Ancient Paths to Romance Course   |
| 5. The Question for Men     | 11. School of Ministry Facilitator Training |
| 6. The Question for Women   | 12. Covenant Unconditional Love Course      |

### **What will it do for you?**

The first portion of the training block would be ministry that would forever impact your own personal life for generations to come. It would then further equip you with insight, understanding and the ability to increase your effectiveness in one on one ministry over and above the ability to have 8 people per group being ministered to. The seminars should drastically reduce your counseling load as pastor and help your people move towards active involvement, fulfilling their purpose and calling in your community.
