

Events

- Health Talks: These happen the third Saturday of the month at Brighthouse library 3:00-4:30pm. This Saturday's talk is on Shinrinyoku, The Art of Forest Bathing and should be a really interesting one!

- Animating Memories: This will be a really fun and unique program series where seniors will make short movies featuring their own digitized photographs and voice-over. No previous digitization or video editing experience is required to participate as our friendly staff will walk participants through all of the steps. Space is limited so sign up soon!
