

## Wood chip magnets

Materials : various shapes wood chips  
acrylic paint and brushes  
glue / double-sided tape  
magnets  
eyes, stickers, markers

## Tips on painting wood chips:

1. Stick a piece of masking tape, sticky side up, on a piece of cardboard.
2. Place wood chip on sticky strip.
3. Apply paint thinly on top and side of wood chip.
4. After wood chip is dry, turn and paint the other side.
