

# Early Intervention and Early Childhood Special Education Need Your Support!

The Oregon Legislature is deciding how much money to invest in Early Intervention and Early Childhood Special Education (EI/ECSE). We know EI/ECSE helps kids reach their potential and provides parents with the tools to support their children's development. But they need to hear from you!

- **Share how EI/ECSE has helped your child and family**
- Tell your family and friends to contact their legislators with the message **"Fully fund EI/ECSE"**
- Attend the EI/ECSE Advocacy Day at the State Capitol **March 5th** any time from 10AM to 2PM Room 167

## HOW YOU CAN SUPPORT EI/ECSE NOW:

- Email one to two paragraphs about how EI/ECSE has helped your child and family to [ocddaei@gmail.com](mailto:ocddaei@gmail.com) and include a photo of your child, your name and contact information.
- Take a quick 30-60 second video of you sharing an example of how EI/ECSE has helped your child and family and email it [ocddaei@gmail.com](mailto:ocddaei@gmail.com) with your name and contact information.
- Let us know if you are planning to come to the Capitol to participate in the upcoming EI/ECSE Advocacy Day on **March 5th**. We will be there to help you connect with legislators and are partnering with the GO! Project to offer a free legislative advocacy training at 11AM.
- Let us if you would like to share your story in an important legislative hearing the morning of **March 6th**. We can help you prepare to testify and can access resources to help you get there!
