

WHAT IS CARE CONNECTIONS?

As part of Molina Healthcare, the Care Connections team provides convenient preventative care services to all Molina members.

WHAT TYPES OF VISITS DOES CARE CONNECTIONS OFFER?

Care Connections offers both in-home and telehealth video visits at **no cost** to Molina members.

WHAT HAPPENS DURING A CARE CONNECTIONS VISIT?

During a Care Connections visit a Molina Nurse Practitioner will meet with you in the comfort and safety of your home either in-person or over a live video call.

During your visit, you will receive:

- ✓ A complete health and wellness assessment
- ✓ A full review of your current medications and medical history
- ✓ Recommendations for additional care, screenings, & resources based on your needs
- ✓ In-home visits for our diabetic members also include an A1c test, retinal eye exam and nephrology screening with real time results to better direct your care.

WHY CARE CONNECTIONS?

- ✓ Personalized services – all of our visits are scheduled for 60 minutes, which provides plenty of time to talk and develop a plan of care
- ✓ We coordinate our findings with your PCP and specialists to ensure you receive the highest quality care
- ✓ Convenience – Care Connections offers appointments from 8:00 a.m. to 7:00 p.m., 6 days a week

OUR COMMITMENT TO YOUR SAFETY

Care Connections staff wear PPE, including masks, face shields, disposable gowns and slippers prior to entering your home. At the start of the visit, you will be asked to wear a mask and to sit 6 feet from medical teams whenever possible. Medical equipment is sanitized thoroughly before and after each visit.
