Colleton River Club

The Colleton River Collegiate began in 2013 when CRC Members, Al and Willa Theiss approached Michigan State University about hosting the Collegiate as an opportunity to give back to the sport that gave them both so much pleasure. As a former MSU golfer (1964-68), Al convinced MSU and three other schools to play in the inaugural event. Ten years later the tournament has grown to 15 teams, attracting top ranked collegiate programs who seek to participate in this event. The tournament will be played on the spectacular Nicklaus Golf Course at Colleton River, and is open to all.

As we celebrate the 10-year anniversary of the tournament, we are proud to announce that the Colleton River Collegiate has partnered with the Community Foundation of the Lowcountry to establish the tournament as a charitable event. This provides us the opportunity to continue Al's legacy of giving back to the sport, and to those in need of food, shelter, and healthcare within our community.
