

# **Purposefully Uncoupling**

For women preparing for separation or divorce

Join Dwayne Richards, CPA, for this session that includes first steps and the costs of divorce, divorce vs. separation, dividing your property and finances, and more.

The objectives of this workshop are to:

- Learn how to prepare household finances before and after separation
- Understand your cash flow and how to budget for this new chapter
- Learn how spousal and child support works
- Develop strategies to get yourself back on your feet financially.

**Register in branch or by calling 416-396-3975.**
