\*Member is responsible for paying at the time of shipment for the initial 90 days

\*Payment terms: Net 30 days following the initial 90 days

## 1. How can I place an order?

### New customers

- New customers need to be set up in Strategic Lab Partners system prior to sending a PO, and must complete a new customer form (attached).
- To finalize account set-up, customers can reach out to **Doug Kilarski**, Strategic Lab Partners.
- Once account is established, orders will be sent to [orders@strategiclabpartners.com](mailto:orders@strategiclabpartners.com) or Doug Kilarski

### Existing customers

- Existing customers should follow their current process.

## 2. Are orders subject to allocation?

Orders are prioritized by receipt of PO and Members are encouraged to place smaller orders on a weekly/bi-weekly basis to prevent allocation.

## 3. For orders that have been placed, when will the member receive the products?

Once PO is received and confirmed, expected lead times are listed below.

<u>Item Number</u>	<u>Item Description</u>	<u>Delivery Expectations</u>
SDNA-1000	Spectrum Solutions COVID-19 Saliva Collection Device	Estimated within 7 days**
