LONG-TERM CARE

We understand that your residents are your number one priority. Let us show you that our flexible scheduling and sustainable practices lead to elevated guest experience.

WE UNDERSTAND THAT THE HEALTHCARE AND SENIOR LIVING INDUSTRY IS UNIQUE

When it comes to care facilities, Powerhouse is the preferred partner for transformation. We train our teams in the specialized processes and protocols required to work in highly sensitive environments. From urgent care facilities to specialty medical practices to senior living communities, Powerhouse has what it takes to manage your re-images, resident room upgrades and common area remodels. Our on-demand facility maintenance teams understand that in these settings, urgency isn't just expected, it is critical.
