

## St. Martin of Tours Academy 32<sup>nd</sup> Annual Walkathon

Since 1951, St. Martin of Tours Academy has been providing an exceptional education for students from preschool through eighth grade in the greater San Diego region. Our mission is to prepare students to be lifelong learners through a curriculum based on a strong moral and academic foundation. Students understand the need for peace and justice, answering the call to become engaged citizens of the world through community outreach. Our school is fully accredited by the Western Association of Schools and Colleges with qualified faculty providing rigorous academics and a holistic approach to education that cultivates human growth goals and life skills.

As a Fair Trade School and a U.S. Dept. of Education Green Ribbon school, students learn and participate in practices that promote social justice for local and global communities as well as environmental responsibility and sustainability. Every year we hold our Walkathon to raise money for a specific goal. This year we are raising money for a shade structure on our field and to replace our field's grass with turf.

Please consider supporting our school as our students, faculty, staff and volunteers walk the track on the Father Sproul Memorial Field.

It is our hope you can contribute to the success of our community event by becoming a corporate sponsor with a \$500 donation or directly sponsor items, such as the DJ, who provides music for the event, or popsicles to distribute to the kids after the Walkathon.

Becoming a corporate sponsor, your business logo will be on our Walkathon t-shirts and our website as well as in our weekly newsletter and social media.

Please visit our website for more information at [smartinoftoursacademy.org](http://smartinoftoursacademy.org). Any donation you are able to make would be greatly appreciated. Donations must be received by February 23, 2023.
