

St. Martin of Tours Preschool Summer Camp 2023

Week One (June 5th-9th)- Camping Adventures

Our little campers will be going on a scavenger hunt, building a tent, making their own s'mores, learning how to build a campfire and even camp under the stars!

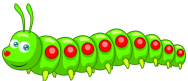

Week 2 (June 12th-16th) Pirates of the Caribbean

This week our pirates and princesses will dress the role as they hunt for treasure, build their own ship and maybe even walk the plank.

Week 3 (June 19th-23rd) Science and Slime Exploration

Our young scientists will be turning the floor into lava, building towers with cheerios, making ooey, gooey slime and exploring the world of bubbles!

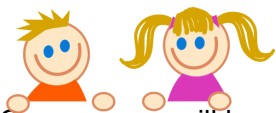

Week 4 (June 26th-30th) Language and Literacy

This week is full of author adventures. Dr. Suess will inspire our kiddos to make green eggs and ham, Laura Numeroff will show them what happens when you give a dog a donut and Eric Carle will teach us why a caterpillar is so hungry.

Week 5 (July 3rd-7th) Stars and Stripes Forever

During this week your children will learn about our country, design their own flag, create fireworks in a bottle and learn how to measure and mix while making patriotic popsicles.

Week 6 (July 10th-14th) Water and Ice Discovery

Our campers will be painting with ice, learning how things freeze, building an ice skating rink, discovering how and why things sink or float and even make a rainbow out of skittles!

Week 7 (July 17th-21st) Star Wars

Our galactic explorers will build an R2-D2 craft and light saber, dress as their favorite character, go on a mission to Mars, and stargaze!
