EMPLOYEE SPOTLIGHT

Nathan Kutz

What is your role at RRF?

I am a Support Specialist.

Tell us a little about your background?

My previous experience was in public service/government, manufacturing, battery maintenance and trucking/delivery.

What brought you to RR Floody?

RRF's innovation and reputation for helping manufacturing companies with solutions.

What strengths do you bring to this job that makes you a valuable resource to your customers?

I have great experience in communication and a willingness to get the job done right. A little extra thought, care and integrity goes a long way.

What are some key lessons you have taken from your career thus far?

I may not always be able to figure out the answer to something right away, but if I ask the right questions, stay organized and think a little out of the box, the answer will come.

Describe some of your hobbies – what do you like to do outside of work?

I enjoy reading and almost anything outdoors. I spend my free time organizing and helping groups make a difference in the community.

What is something your customers might find surprising about you?

I am asked often if I was in the military, police or even played football. I do have a deep interest in law enforcement and even read laws in my free time, and I played soccer and basketball in high school and college.
