UNIVERSAL ROBOTS

Universal Robots Collaborative Workshop

Date: Wednesday May 22, 2019

Time: 9:00am - 4:00pm *(Lunch provided)*

Location: R.R. Floody Company, Inc.
5065 27th Avenue
Rockford, IL 61109

Cost: No Charge - ***Registration is Required***

Register at rrfloody.com under the training & events tab or contact Amy Smith at asmith@rrfloody.com

Agenda: Join us for an interactive workshop with the Collaborative Robots from Universal Robots. Great for any type of user. We will give an overview on how the robots operate and provide hands-on demonstrations. We will show you how to program and deploy the arm in minutes. Application examples will be provided.

Learning Objectives:

- Software Overview and Setup
- Programming Robots
- Hands-on Time with Live Robots
