

Typically, the summer months are known for a slowdown in many industries because of time off and family vacations. However, I'm pleased to announce SDAHU membership has not slowed down. We have secured 5 great new members over July and August. New members include:

- Maggie Osburn, Executive Vice President & General Manager Benefits, HUB International Insurance Services
- Alison Luberto, Individual Market Benefits, HUB International Insurance Services
- Esperanza Mendoza-Turley, Warner Pacific Insurance Services
- Gina Schiavoni, Independent Health Insurance Agent, MORE Insurance
- Derrick Simpson

Everyone please help me in welcoming our new 5 new members. Thrilled to have you join us!
