2020 is an election year that will significantly shape the future of our country and the American healthcare system. We believe that our clear vision today sets the reality of our future tomorrow. We intend to inform and educate the industry on the most critical issues ahead of us – politically, legislatively, and in our businesses – as we embark on one of the most important election years of our lifetime.

Exciting speakers are participating in our event. Here's a sneak peek:

- Legislative update, election buzz, and hot-off-the-press update from NAHU's Capitol Conference;
- Engaging and deeply inspiring keynote speaker, Jan Mesa, a 40+ year leader and veteran in the health insurance industry;
- Four CE hours throughout the day, with a variety of breakout topics for all attendees from all walks of the industry;
- And, to celebrate our clearer visions and intentions for the future, Happy Hour will follow in the exhibit hall.

Last year's event drew over 400 industry professionals. Currently OCAHU's membership attendance at monthly meetings, and overall chapter activity continues to grow thanks to all your collective efforts. We have a variety of agents attending who specialize in large and small group, individual, ancillary coverages and Medicare plans. They are looking forward to meeting with you, our exhibitors, to learn more about your products and services!

Table space is limited, and exhibitor visit time has been expanded to insure maximum exposure. Get your forms and deposit in now to secure your place in this first-class event! Your participation is vital!
