

50 YEARS IN THE FIELD

PHOTO CONTEST

Sun Hydraulics is celebrating 50 years in business this year. In honor of this anniversary, we invite you to participate in our Photo Contest. We're looking to capture the most timeless and exemplary applications of Sun technology in the field throughout our last 50 years.

There are two contest categories:

- 1. TIMELESS TECHNOLOGY** - Photo of the oldest Sun valve in use in the field today. Entries must include the date code from the valve.
- 2. AMAZING APPLICATIONS** - Photo that captures a unique, demanding or interesting application in the field featuring Sun products.

Submit your entry:

www.SunHydraulics.com/PhotoContest

Deadline: November 13, 2020

Photos will be judged by Sun's employees with the longest tenure from around the globe.

Winners will be announced December 16, 2020.

Grand prize winner in each category takes home an iPad.

See next page for contest Rules and Restrictions.

YEARS

50 YEARS IN THE FIELD PHOTO CONTEST

Official Contest Rules and Restrictions

Eligibility

- Photo Contest is free to enter.
- Entrant must be at least 18 years of age as of their date of entry in this Photo Contest in order to qualify.
- Entrant may submit photos in one of two categories: Timeless Technology or Amazing Applications.
- Employees, officers, and directors of Sun Hydraulics and its parent company Helios Technologies, its affiliates, and their immediate families (parents, children, siblings, spouse) or members of the same household (whether related or not) of such employees, officers, and directors are not eligible to enter.
- By entering this Photo Contest, entrant consents to grant a royalty-free, perpetual, worldwide license to Sun Hydraulics to use, reproduce, redistribute, publish, and display such submission for any purpose whatsoever, including promotional purposes in all media without further consideration. For clarity, by providing a submission, entrant also consents to give Sun Hydraulics a license to use entrant's name, company, image, and likeness as included in the submission on the same foregoing terms.

Judging and Prizes

- The first place winner in each category will receive an iPad 10.2" Retina Display.
- **Timeless Technology** winner will be the submission with the oldest Sun valve in the field.
- **Amazing Applications** winner will be voted on by Sun employees. The photo will be judged on how it captures the unique or demanding application and the interesting use of Sun technology.
- The prize(s) shall be determined solely by Sun Hydraulics.

Submission Guidelines

- By entering the Photo Contest, you agree to comply with all the terms, conditions, and rules contained herein.
- Entry Period: Photo Contest begins August 24, 2020 and ends November 13, 2020.
- To be eligible for the Photo Contest, entries must be received within the specified Entry Period.
- How to enter: Eligible entrants can enter the Photo Contest by submitting an entry via the form provided at www.SunHydraulics.com/PhotoContest. As a participant, your entry must fully meet all the Photo Contest requirements, as specified in the Rules and Restrictions, in order to be eligible to win a prize. Incomplete entries or those that do not adhere to the Rules and Restrictions or specifications, will be disqualified at Sun Hydraulics' discretion.
- Multiple entries will be accepted. An entry form is required for each photograph.
- Entries can be uploaded via the [Photo Contest Entry Form](#).
- Images must be .JPG, .PNG, .TIF, or .PSD format.
- Limited image modifications are allowed. The intent and effect of any modification must be to produce a more accurate photograph. Do not add any elements or objects that do not exist in the original scene.
