

Community Agreements

Revised 12.11.20

All employees and students who will be on Baker's campus are expected to abide by the following:

1. Participate in weekly PCR testing at Baker and sign consent form to allow test results to be automatically shared with Baker.*
2. Complete the Daily Wellness Screening every school morning by 7:30 a.m.*
3. If you or any member of your household is sick, stay home. Stay home and follow isolation or quarantine guidelines if any of the following symptoms are present:

Fever (100.4 or above) or chills

Headache

Cough

Shortness of breath or difficulty breathing

New Loss of Taste or Smell

Sore Throat

Congestion or Runny Nose

Nausea or Vomiting

Diarrhea

4. If a symptom presents while on campus, the individual is expected to leave immediately to return home. Students will stay in the isolation room with supervision from the nurse while awaiting a ride home. *Families are expected to pick sick children up within 30 minutes from a phone call.**

5. Follow most current CDC, IDPH and CCDPH guidance for social gatherings, interactions outside of your own household, travel, and recommended mitigation measures like physical distancing, mask wearing, and frequent handwashing. Stay home and quarantine if you travel or engage in activities that could increase your potential for exposure to COVID-19 in accordance with the most up to date guidelines. *We will always defer to the most localized guidance which is CCDPH.*

6. Cooperate with all contact tracing interviews with Baker's School Nurse and your Local Health Department if you are contacted.

7. Follow Baker's communication procedures for notifying the school and staying in touch with the School Nurse related to travel, COVID-19 symptoms, quarantine or isolation, and the reporting of test results as needed.

**These agreements are not applicable to families who have exclusively chosen eLearning.*
