

FLAVORS HOOK KIDS

PHOENIX

81% of youth who have used tobacco started with a flavored product

Have you or your peers been impacted by flavored e-cigarettes like Juul or Puff Bar, flavored cigarillos or cigars, or menthol cigarettes?

Want to do something about it? Join the Flavors Hook Kids campaign - **share your story with decision-makers, the media, and your community.**

 **Get involved and use to your voice** to help us protect Phoenix's youth and communities of color by **ending the sale of all flavored tobacco products** in our city. Join other youth and young adults, get trained, and take action!
