It is my pleasure to announce that we have found a teacher for our beloved Crickets!!

Meagan Schmidt will be joining our ACC family on November 18th. Meagan is a native of Long Island, NY and she currently resides in Rock Hill, SC. She attended Winthrop University where she graduated with a double major (BA in Sociology and a BA in Psychology) in 2012. Meagan has been in the Early Childhood field for the last five years and is very excited to join the Avondale Children's Center. One of her favorite things about teaching is tapping into the deep desire children have to learn. She loves fueling that desire through books, songs, games and physical activities. She is passionate about helping children be their best self! In her spare time, she enjoys scrap-booking, painting, reading, going to the movies, shopping, cooking and spending time with her dog. Her favorite children's book is "How The Grinch Stole Christmas" and some of her favorite quotes are also from Dr. Seuss. Her two favorite quotes are "Kid, you'll move mountains" and "You have brains in your head, and feet in your shoes and you can steer yourself in any direction you choose."

We are excited about her joining our ACC family and know your children will flourish in her classroom!! Please feel free to speak with Millie or myself if you have any questions or concerns. Have a wonderful rest of the week!
