

MEMBER CARE

We know God is always close and worship is one way we can reach out for that relationship, not just as an individual, but with the strength of a community. The community of our church is present.

Please help celebrate those in our community celebrating birthdays during the month of October. Their contact info is listed below. Let me know if I have left someone off the list or if I need to make corrections. Thanks.

Blessings to all of you and look forward to seeing you on the 28th at ASAP! - Leslie Saleeby
