

HUMOR

Just asked a 6 year old if he understands why there is no school. He said “yes, because they are out of toilet paper.”

On the bright side, I am no longer calling this shelter-in-place. I am an artist-in-residence.

After years of wanting to thoroughly clean my house but lacking the time, this week I discovered that wasn't the reason.

You're not stuck at home, you're safe at home. One word can change your attitude and one cough can change your life.

2020 is a unique Leap Year. It has 29 days in February, 300 days in March and 5 years in April.

Wearing a mask inside your home is now highly recommended. Not so much to prevent COVID-19 but to stop eating.

My mom always told me I wouldn't accomplish anything by lying in bed all day, but look at me now! I'm saving the world!

I miss the days when we were terrified of Romaine lettuce. Ahh, the good times....

I swear my fridge just said “what do you want now?!”

Whoever owes you money, go to their house now. They should be home.

Home schooling Day #3: they all graduated.

My new social distancing outfit just arrived from amazon

I don't mean to brag but...

I finished my 14-day diet in 3 hours and 20 minutes.
