

Accessing Your Social Table at A (Virtual) Celebration of Scotland's Treasures

Thursday, April 22, 2021

What to Expect

Login for the virtual gala begins promptly at 6:45pm EDT on our event page www.ntsusagala.com/2021. We encourage you to log on as early as 6:30pm if you are concerned that you may have technical difficulties.

When you are ready to join your table, locate the button "**Click here to join your table on Zoom**" toward the top of the screen and click through. The Zoom app will open and place you in a "main room" where you will wait to be seated by our staff.

For best results, please have the [Zoom app downloaded](#) onto the computer you will be using to view the event. **PLEASE NOTE** that you should be logged in to your Zoom account using the same email address you used to create your event profile.

We will use the registration list for the event to assign people to their various social groups. If a user signs in with a different email address, Zoom will not recognize you and it will take additional time to identify and assign you to the correct table.

You can use a free basic Zoom account, but it must be made using the same email used to register for the event. If you do not have the Zoom client downloaded you can click the "Join from Browser" button on the page and follow the prompts.

Wrapping Up

There will be a five-minute warning before your table closes and we all start making our way to view the virtual program. The program feed can be accessed at www.ntsusagala.com/2021. Locate the button "**Click here to watch the program**" toward the top of the event homepage and click through to start watching. Keep in mind that you can expand the window to full screen by clicking the button in the lower right of the video!

There will be another opportunity to socialize together on Zoom after the program concludes. Follow the same steps above to rejoin your friends.
