

### Mrs. Shantrell Byrd

Mrs. Shantrell Byrd has been sworn in since 6/15/20. Although she was sworn in as a St. Charles Parish advocate, Mrs. Byrd quickly accepted a St. John Parish case and took off advocating for the children. On December 22, 2020, Mrs. Byrd's first case closed. The siblings were able to be reunited with their father back in their forever home. During the Christmas holidays, she traveled out of state to deliver gifts and to visit the siblings. Now Mrs. Byrd is on another case advocating for a 12-year-old. She is going above and beyond to be the voice of the child.

Mrs. Byrd also serves in the Pastoral Care Ministries of St. Charles Parish Hospital in Luling, LA. She is the mother of a daughter who is a senior at Hahnville High School. Mrs. Byrd spends the majority of her time with her husband and daughter enjoying life and thanking God for it.

Mrs. Byrd's Advocate Supervisor, Shannon Brown, describes her as a "motivated, goal driven advocate that will make sure everything is in line for the child to receive the proper care." "There has never been a time where I thought Mrs. Byrd wouldn't make it happen." "I enjoy being her Supervisor and I look forward to many more years with her being the voice of the children."

Thank you, Shantrell, for your service!
