

## Mark Wood

### Senior Vice President Tenant Representation

Mark H. Wood is a native Houstonian who has enjoyed thirty-five (35) years serving the vastly diverse needs of his corporate, dental, medical, energy, legal, international companies, and government clients. He brings a track record of successful tenant representation in various transactions to include lease renewals, relocations, acquisition and disposition of properties, consolidations, subleasing and assignments. Mark has a demonstrated ability to recognize his client's comprehensive vision and unique goals, a proven history of developing and implementing cost saving strategies and delivering significant savings. Mark's professionalism and detailed approach has resulted in over \$400 million in closed transactions.
