

DECEMBER 5-9, 2021

JEFF SHELLBARGER
CHAIRMAN, 23rd WPC ORGANIZING COMMITTEE

Jeff Shellebarger is the Chairman of the Organizing Committee for the 23rd World Petroleum Congress (WPC), to be held in Houston, December 2021.

Jeff retired in 2019 as President, Chevron North America Exploration & Production, where he was responsible for all of Chevron's crude oil and natural gas exploration and production operations in the United States and Canada.

After earning his bachelor's and master's degrees in Geology from the University of Georgia, Mr. Shellebarger began his career with Chevron as an exploration geologist in New Orleans, Louisiana. During his 38-year career with Chevron, Mr. Shellebarger has held leadership and technical positions in the upstream business segment in Angola, Indonesia and various U.S. locations.

He is currently based in Houston, Texas and remains active in the energy industry and the Houston Business community, serving on the Greater Houston Partnership Executive Committee, the Board of Texan's for Lawsuit Reform, and the Kinder Foundation Board.
