

RICK MURPHY
Sr. Vice President
Saratech, Inc.

Rick Murphy's proven leadership, market expertise, and results orientation come from over 34 years of engineering and software industry experience in the manufacturing (Aerospace, Automotive, etc.), chemical, Clinical Healthcare, and Life Science markets.

In his current role as Sr. Vice President at Saratech, Mr. Murphy manages the company's product business units including technical support, sales, and marketing. Saratech is an award-winning provider of engineering and manufacturing solutions including Product Lifecycle Management (PLM) software, engineering and consulting services, and manufacturing hardware. The Saratech team helps customers optimize their engineering and manufacturing processes by providing extensive product development expertise and technologies. Saratech offers Siemens PLM CAD/CAM/CAE/PDM software solutions and a full array of 3D printers.

Mr. Murphy has a B.S. in mechanical engineering technology from California State Polytechnic University, Pomona.
