**Manager,  
Technical Committee  
Operations**

**ASTM International**

In 2010, Mary Mikolajewski joined the Technical Committee Operations division of ASTM International. In her role as Staff Manager, she coordinates activities for multiple industries and directs the operations and strategic initiatives related to the standards work of four technical committees. She also serves as Manager of Membership, which oversees the maintenance and promotion of ASTM Membership. At ASTM International, producers, users, consumers and others from all over the world join together to develop voluntary consensus standards. We harness the expertise and commitment of 30,000 ASTM members who hail from more than 140 countries.

Mary has a B.A. in Management Marketing from Holy Family University, and an M.S. in Organizational Leadership from Cabrini College.
