

## **Cederic Cremers**

### **Country Chair Shell Russia**

Cederic Cremers joined Shell after graduating with a masters degree in Business Economics from the Erasmus University in the Netherlands. He has a background in finance and commercial roles in both Upstream and Downstream.

After two positions in the Retail business in the Netherlands, he moved to the Upstream business in Nigeria in 2004, leading the JV Budgeting, Financial Planning and Reporting organization for the SPDC joint venture.

In 2007 he moved to Upstream Americas, based in Houston, serving as Financial Accounting Operations Manager. In 2009 he became VP Finance for the Exploration and Commercial business in Upstream Americas.

In 2011, Cederic joined the Chemicals business, where till mid 2014 he was the Global Finance Manager for both Base and Intermediate Chemicals. Since January 2013, he was also General Manager for Shell Chemicals Europe.

From mid-2014 to mid-2015 he was in special role managing the recovery efforts after two major process safety incidents at the major Moerdijk petrochemicals site.

Cederic started in Singapore as Vice President for Commercial and New Business Development for the Region in July 2015, covering Integrated Gas & Upstream.

As of 1 September, 2017 Cederic Cremers has taken the role of Country Chair Shell Russia.

*Cederic is married to Ines and together they have three daughters Isabel, Rosalie and Juliet. He likes to spend time with his family and friends, as well as playing and watching a number of different sports, including Football (3 types) and Golf.*
