## **ABOUT THE WOMEN IN LAW SUMMIT**

Women have comprised nearly half of all law students and incoming associates at law firms for many years, yet they remain outnumbered by men in the senior ranks of law firms, corporate law departments and other practice settings. We can work towards achieving more gender equality in the profession by learning from one another and supporting each other in our careers.

Through a combination of inspiring keynotes, a panel discussion by accomplished women in the legal profession and a break out session, the Women in Law Summit seeks to promote diversity and inclusion in the legal profession and equip attendees with the skills needed to succeed.

Following the Summit, the CNYWBA is hosting a Reception at the Century Club of Syracuse to Honor Chief Judge Janet DiFiore. Thanks to the generosity of our sponsors and our Reception Platinum Sponsor, Cherundolo Law Firm, PLLC, the reception is complimentary, and your RSVP is required. To register for the Summit and to attend the reception, please use the links at the top of this announcement.
