

Community Mural Workday!

Join Blue Ridge Children's Museum and local muralist, Chicho Lorenzo on Saturday, August 27th from 10am-2pm to help design the final outer wall of the museum.

Art supplies will be provided! Chicho asks that each child choose to be either a flower or a bug, and portray themselves as a drawing on a paper

This will be the first of several mural workdays. Enjoy our Natural Playground right next door. See you this Saturday at 201 Short Street in downtown Waynesboro!
