In order to obtain the appropriate paperwork prior to the athletics physical dates, please see the following link for instruction on how to obtain a sportsware account:

You are also able to utilize your own physician for physicals, however the PIAA requires specific paperwork to be completed. The paperwork for 2018-19 will be in each student-athletes sportsware account sometime in mid-May. They will be labelled 2018-19. Please make sure to use the appropriate paperwork. Additionally, all sports paperwork for 2018-19 must be dated AFTER June 1, 2018 per PIAA rule.

Central York also uses ImPact testing for our athletes. Here is more information about ImPact:

The athletic trainers will be in contact in June regarding ImPact requirements and testing sign ups.

If you have any further questions please do not hesitate to reach out to either Athletic Trainer.
