

Sisterhood's Stitch & K'vetch - connect to your creative side by making blankets for Project Linus or another craft project you want to work on.

There is some yarn available through Sisterhood members. If you think a whole blanket to too much you can start with small squares. Whatever we contribute will be meaningful!

Through the gift of handmade blankets made by volunteers, Project Linus provides a sense of security, warmth, and comfort, to children who are seriously ill, traumatized, or otherwise in need (premature babies to 18 years of age).
