Yearbook 2018

Celebrating Moments That Matter!

St. A's is a special community! Each and every day you and your children experience moments that if only available by scrolling through social media, may not be remembered for years to come; unless in an album or a Yearbook. The St. A's Yearbook 2018 has already gotten started with a new logo, mission statement, pictures from the 1st day of school, the pep rally, simple happy playground shots, big smiles, first time Kindergarten memories, and so many other activities that are NEW to our calendar! The Yearbook covered in our school colors, our Bulldog Mascot kicking off our pep rally and playing drums at the Homecoming Fest, parents smiling with pride, baby faces that change from September to June, After School Clubs that add that extra experience, etc. It is endless the memories we have already created and it is only October 9th!

Yearbooks are on sale now for **\$40.00** until **October 27th!**
