August 24th & 31st

9:00am - 4:30pm

Gilchrist Howard County (Columbia, MD)

Gilchrist patients and families in your neighborhood need caring volunteers to support their end-of-life journey. Are you compassionate and looking for a meaningful way to volunteer your time? Space is limited so register now for this comprehensive, two-day training.

By the end of training, volunteers will:

- Be knowledgeable about our guiding philosophy of care
- Understand the many physical and emotional challenges confronting seriously ill individuals and their families
- Be confident and unafraid of spending time with individuals experiencing the debilitating effects of living with a serious illness

Gilchrist requires all staff and volunteers to be fully vaccinated against COVID-19.
