“OM - Strongest Together”

## 2021 COMMUNITY SURVEY

April 30, 2021

**To: Residents of Oakland Mills**

What a difference a couple of years can make! In 2018, The Oakland Mills Local Leadership Team partnered with The Jacaranda Center of Family and Youth Development, Inc. to conduct a Community Survey to determine the hopes, dreams and obstacles faced by families and youth in Oakland Mills. COVID -19 has indelibly changed all of our lives. We are working together again to determine the impact of COVID – 19 on families, children and youth in Oakland Mills.

The Mission of The Oakland Mills Local Leadership Team (OMLLT) is to mobilize residents of the Oakland Mills Village to build an equitable and cohesive community where children, youth and families thrive. This brief and anonymous survey will identify the needs and challenges that are being faced by families and youth in Oakland Mills through COVID-19, and guide the development of strategies and programs to address these barriers. The youth survey focuses on young people between the ages of 9 – 25 years and the adult survey focuses on adults 25 years and above. The survey is available in English and Spanish. **Please take a moment to complete this online survey by May 31, 2021.**

**Online versions** of the adult and youth surveys are available on the following links:
