Vice President, ICPA Society

Author

Christopher M. Weible

Interim Dean and Distinguished Professor, School of
Public Affairs, University of Colorado Denver;
Co-Founder and Co-Director, Center for Policy and
Democracy (CPD)

Introduction: For more than 25 years, *Theories of the Policy Process* has brought together the leading approaches to understanding public policy. The latest edition, published in 2023, continues this tradition by presenting eight major theories, each authored by the scholars most closely associated with them. It also features critical commentaries and forward-looking reflections that highlight emerging research agendas and directions for the field.
