DEACONESS JOY PRIM

UMC Missionary
Serving in Hong Kong, SAR, PR China
with the Mission for Migrant Workers

Where do I serve?

The Mission for Migrant Workers, is an eccumenical NGO that for the past 45 years has been serving the migrant domestic worker community in Hong Kong. I serve as the Welfare Case Officer supporting our outreach and welfare programs.

Who are the Migrant Domestic Workers?

Over 98% are women, and they come from Philippines, Indonesia and other SE Asian Countries. In 2025, there were over 368,000 in Hong Kong. This makes up over 5% of the HK population.

What services do we provide?

In 2025, we directly assisted Directly assisted a total of 23,704 migrants with case support, rights-based information, and other critical services. Through our outreach posts (known as Migrant Care Centers-MCC), our walk in center, and online/virtual inquires and supports

What services do we provide?

Through crisis intervention services such as work skills trainings, and seminars. AND Social advocacy towards building a caring and inclusive HK society through community outreach and our Happy Homes program: recognizing positive employer and domestic worker relationships
