Loaves & Love Closet at Anchor Park United Methodist Church

Sharing Hope, Restoring Dignity, and Serving Our Neighbors with Love

Loaves & Love Closet is a diverse women-led community ministry rooted in faith, compassion, and the belief that every person is created in the image of God and deserves to be treated with dignity, compassion, and respect.

Located at Anchor Park United Methodist Church, our mission is simple: to walk alongside individuals and families during difficult seasons, offer support during times of need, and remind our neighbors that they are seen, valued, and never alone.

We are an open-door ministry serving people from many backgrounds . Many of the individuals and families we serve face challenges such as financial hardship, language barriers, unemployment, housing instability, or unexpected life circumstances. Yet behind every need is a story, a family, and a person deserving of compassion.

Loaves & Love Closet is more than a food pantry or community closet—it is a place of hope, connection, and belonging. We believe that a helping hand, a listening ear, and a caring heart can make a lasting difference.

Through our ministry, we provide:

- Food, clothing, hygiene products, diapers, and essential household items.
- Translation and language assistance to help families access important resources.
- Support with immigration-related paperwork and connections to trusted community services.
- Academic support, cultural learning opportunities, and activities for children and youth.
- Assistance for individuals and families experiencing homelessness, housing challenges, or unexpected hardships.
- Encouragement, guidance, and personalized support to help people move forward with strength and hope.

Every day, we see the power of compassion in action. We have helped families rebuild after devastating house fires, supported parents preparing for new babies, and provided essential items to neighbors facing difficult transitions. Through partnerships with organizations we are able to respond with love when our community needs us most.

The heart of Loaves & Love Closet is not just what we give—it is how we serve. We listen without judgment, welcome without barriers, and create a space where people feel cared for. Sometimes a bag of groceries, a warm coat, a package of diapers, or a kind conversation can be a reminder that God's love is present even in the hardest moments.

We invite you to be part of this mission. Your support through gently used clothing, essential items, gift cards, or financial donations helps us continue providing hope and meeting the growing needs of our community. Every gift, no matter the size, becomes a blessing that reaches someone who needs it.
