

IMPORTANT ACCOUNT INFORMATION: This reservation system is completely different from the online system where you pay your bill. If you have used the tennis system, this is the same system so just log in like you have before. If you have not used this before, Click Create Account and fill in the information.

IMPORTANT NOTES:

- You will use this system to sign up for Pool reservations, but it is also still our Tennis reservation system. To see instructions and tennis schedules, please click the Bulletin Board tab (will soon be updated).
- For Pool reservations, you will only be able to make them 7 days in advance of the session, starting with our opening on June 2nd.
- In an effort to give all members a chance to sign up, 1 time slot is available, every other day per member. (For example, if you sign up on Tuesday, the next time you can sign up again, is Thursday). Please be respectful of this rule. If no time slots are available, you may get on the waiting list. Once a spot opens up, you will be notified via email. You will need to sign up after being notified, it is not automatic! If you no longer want your spot (or cannot make it), please cancel so someone else can sign up. Thank you!
- There are 60 walk-ins available each day and the current count is updated real-time at mtlookoutswimclub.com. This is open to anyone, regardless of reservation sign up slots. There is no waiting list for walk-ins.
- If parents sign up with their kids, please do not sign up babysitters. In that situation, babysitters are guests and we aren't allowing guests this year due to 200-person limit. Reservations will be reviewed prior to check-in and babysitters will be removed if parents are signed up. If there are extenuating circumstances, please email mtlookoutswimclub@gmail.com
- Due to this reservation system, it will be slower to check in to the pool, please have patience with our front desk workers as they now have many duties that are new to them.

Reservations will be different on Weekdays vs. Weekends.
