From: Rev. Jeff Foels,

This Sunday, the scripture in Isaiah ends "...and his dwelling shall be glorious." As winter weather places its sparkly gloss on our world, we see the blessings of creation decorated just as we decorate our homes and church this Advent.

The impulse for making life intentional and bright is one that so many share, and one that we're called to do even through scripture. In the coming weeks, we'll look at other activities of the season - celebrations, even going to church - and how they can be part of a deepening, faithful Advent. And of course, such topics dovetail nicely with the decorating of the church on Sunday, December 8th, and of caroling the following week.

Wishing to all the blessings of hope and joy this Advent!
~Jeff

Two Worship Services on Christmas Eve

After hearing feedback on a time change for Christmas Eve services, we will be returning to the worship times of the past few years.

The Christmas Joy service will be a shorter service, starting at 4:00pm, featuring festive carols, joyful prayer and reflection, and the gathering of the nativity for all who want to be involved. **The Christmas Candlelight service will be at 9:00pm**, featuring the music of the choir. We look forward to celebrating Christmas with our church family!

When we give to the Christmas Joy Offering, we share our love with the leaders of our Church — past, present and future — who point us to God.

We are with them.
