

INSPIRATIONAL WOMEN

OF THE SAN FERNANDO VALLEY AWARDS

ABOUT US

The United Chambers of Commerce is a 15-member coalition of the San Fernando Valley's Chambers of Commerce.

The United Chambers Inspirational Women Awards annually recognize women of outstanding achievement who have inspired others with their individual stories and accomplishments. Established by the United Chambers in 2015, it has become a cherished Valley tradition.

In particular, the United Chambers seeks nominees who have not always been in the spotlight or who have not been previously acknowledged - women who could be described as low profile or behind the scenes workers who have overcome unique challenges in finding ways to serve their communities.

The Inspirational Women awards recognize women not only for their successes but for how they have inspired others, served as mentors and, through their contributions, made the San Fernando Valley a better place.

Organizations and businesses across the San Fernando Valley are invited to submit their nominations for candidates in the spring. The recipients are honored at the Inspirational Women of the San Fernando Valley Awards luncheon, attended by the San Fernando Valley's community, business and elected leaders as well previous honorees.

The Inspirational Women awards recognize women not only for their successes but for how they have inspired others, served as mentors and, through their contributions, made the San Fernando Valley community a better place.

Honorees are selected from a wide array of industries including, but not limited to, business, social services, health care and medicine, education, community advocacy, arts, government and non-profit.

The honorees are chosen by a United Chambers committee composed of previous award winners and community leaders.
