

## St. Benedict's Daughters of the King Chapter Sisters of Sacred Peace

After Easter, we will be forming a new Discernment Class for 2021. This Discernment process requires a six-week preparation period for candidates to be able to learn and prayerfully consider what it means to become a Daughter of the King (DOK).

Prospective members will be able use this time for reflection and discernment. It will provide an opportunity for growth and commitment to our Lord Jesus Christ and bring about an awareness of how essential prayer and service are for the spread of His kingdom. It is therefore very important that potential members experience the full six-week period to prepare for membership in The Order and discover:

- 1) who we are;
- 2) what we do;
- 3) what is expected of us as members;
- 4) and whether God is calling you to make this commitment.

It is important to note that due to COVID requirements this timetable may be extended as we work towards determining how we can meet in person; with masks and socially distanced.
