

# Imagine a school that champions childhood.

Our preschool - 8th grade students are encouraged to tap into their innate curiosity for exploring their world through discovery and active learning. Classroom instruction is complemented by weekly participation in Spanish, art, music, drama, library, chapel, sacred stories, and physical education.

**Now accepting applications for admission. St. Benedict's Episcopal Church members receive enrollment priority through December 1, 2020.**

**Contact our admissions team today to begin the application process.**
