Advent Wreath Making - November 29, 2020

Take a calming breath before the madness of holiday preparations really begins! Build and decorate your own Advent wreath to celebrate the season. This year we will have an outdoor event, limited to 10 families, to put together the wreaths. We will meet in the upper parking lot and socially distance while we decorate! Masks required. We will have all supplies, including various greenery and assorted other festive decorations. An Illustrated Advent for Families will also be available. The kits are $10/family.

You may also pick up a kit to do at home, which will have all you need to build and decorate your Advent wreath. Wreath kits come with a floral bowl, floral foam, candle holders, and candles, greens, ribbon, and berries, and an Illustrated Advent for Families.

More About the Advent Wreath:

The four candles of the Advent wreath marks the passage of time through the four weeks leading up to Christmas. Three of the candles are purple, a liturgical color signifying prayer, expectation, and sacrifice. The third candle is pink and symbolizes joy. The wreath as a whole is meant to remind us of God’s infinite love and the promise of everlasting life which comes to us through Jesus Christ.

Breakfast at Home with Saint Nick! - December 6, 2020

We may not be ready for pancakes in the parish hall, but that doesn't mean St. Nick isn't ready to visit us where we are! Join us online on December 6th for a special Children's Chapel where we will learn about the story of Saint Nicholas of Myra and have an online visit from the saint himself! We will be sending you some chocolate coins and a craft to leave in your children's shoes, so make sure your kiddos leave their shoes accessible for some gifts from St. Nick!
