

Community Vision Award

Honoring community champions, who work in partnership with families to promote equity and change that creates optimal conditions to ensure the growth of Connecticut's children.

***The 7th Annual Childhood Conversations Together We Will Conference
On March 29 & 30th, 2019 at the Windsor Marriot Hotel, Windsor, CT
Seeks nominations for the 2019 Community Vision Award***

Do you know someone that has demonstrated great commitment and experience in providing a strength based, family focused approach to work with children and families and has worked in partnerships with families to promote equity and change to ensure the positive growth and development of Connecticut's children?

Please take a moment and let them know you notice and are inspired by them by nominating them for the 2019 Community Vision Award.

This year two worthy awardees will receive this recognition of their contribution to this important work one will be a staff member and the other will be a parent and/or a volunteer

*Applications will be accepted through March 1, 2019
Please follow this link to nominate an individual for this award:*
