

COLF Treasurer Report - September 2025

With the commencement of cooler weather, it is a reminder that election season has begun again!

Fortunately, and with the generosity of our members, we were able to help with this effort in the way of direct contributions to our Republican candidates:

- Winsome Sears Governor \$150
- John Reid Lt. Governor \$150
- Jason Miyares Atty General \$100
- Delores Oates Delegate \$100

At this time, we remain well funded with a current cash balance of \$967. That balance will be reevaluated for upcoming expenses as well as potential additional direct campaign donations by the Leadership Team.

As always, we continue to appreciate all your gracious donations.
