

COLF Treasurer Report - August, 2025

I would like to begin my normal monthly report with a great big show of appreciation for the amazing success of our annual July picnic!! With the wonderful participation with our entry fees and basket raffles (with most of the items donated from all of you), we were fortunate enough to have “netted” \$465 in profits!!!

With these funds in mind, the Leadership team has agreed to allocate \$500 for direct candidate contributions. Those contributions are as follows:

- Winsome Sears \$150
- Jason Miyares \$100
- John Reid \$150
- Delores Oates \$100

With these distributions, in addition to costs associated with the Web Page and Door Hangers, we will have a net current fund balance of \$867.

As always, we continue to appreciate all your gracious donations.
